Thread: [Verify your Badoo,Bumble,Hily,3fun,\[BRAND NAME REMOVED\] profiles.](#)

**Latervirgins** - March 30, 2022, 8:39 am

I quitted ewhoring so i'm selling my method of verifying profiles on the apps Badoo-Bumble-Hily-3fun-[BRAND NAME REMOVED].

Will sell to 5 people.

Price \$300.Accepting BTC, willing to listen to other options.

Spots left 5.

\*This requires a jailbroken iphone(Sorry android users).Also requires a \$40 - \$50 initial investment(One time only.)I will NOT provide the gestures.

This will NOT:

Let you put your Snapchat username in the bio if it's ALREADY banned on the app.  
Let you act like a retard and spam likes 24/7 like a bot.(Yes you can get banned on a verified profile too)  
Let you use ultra famous thots and expect to not get banned.

Thanks
