\$3,000 for an 80k view average. Was going to be more of a dick and respond with something snarky but I decided not to. Was gonna say "We passed on you <3" Thought people would think it's funny regardless though.

Definitely not worth for 80k view average. Interactions are separate, but I find good TikToks range between 10-20% interaction rate.

Tersaik - March 31, 2022, 8:11 pm

Hahaha lmao 3k for 80k average views XD

What's the best way to contact them? Right now I'm using explore but I need a more efficient way of doing it

In that case try and find non-verified influencers that get a steady viewbase. In addition to the explore/discover tab, you will want to dive into popular hashtags and sounds. That is another good way to find content creators.

never done sounds before I'll do some outreach with that tonight thanks man. do you remember the recommended tab that tiktok had in 2020 where you could click on an influencer and it would show you 20x influencers that were identical? that would be a superpower if there was a way to do that again.

Yeah I've been working on Tiktok growth myself and that would be quite nice.

depending on what your looking for lmk i know a couple of ppl. i had to pay 1-2k for tik tok girls before but they averaged anywhere from 1m-5m on post

JTheRipper - March 31, 2022, 9:18 pm

One thing I've heard is that 80k view averages are nothing on tiktok compared to other creators, so that was the goofiest attempted ripoff I've ever seen.

Excellentum - April 3, 2022, 2:18 am

3k for 80k average is ridiculous! Something is wrong with those influencers!

Mac Miller - April 3, 2022, 10:45 pm

maybe 500\$ for really engaging views but I'd shoot myself in the foot before I paid 3k for 80k tiktok views

Some people think there value is worth way more than they think it is, hopefully you can find someone who offers a reasonable price OP.

Yea I found plenty I just thought this one was a funny situation. It's a small chunk of influencers but some of them ask ridiculous prices. This time I let my anger get the best of me.
