Thread: [What's the best AWARD](#)

Excellentum - April 3, 2022, 1:55 am

So far the best-looking award in my opinion is the Black Heart! What about you? Which award do you think is the best-looking one?

skull - April 3, 2022, 2:19 am

I have to say the skulls, cause they match my name:

Gold eggs are by far the best award to receive.

I rather get paid for awards than pay for them.

I've been on HF for ten years now, dreams slowly start to fade.

But I'm not the kind to become upset over a few pixels, that you don't have to worry about ?.

I created a script with another member which I'm not allowed to share, unfortunately. At least I can pretend I have them ?

I see . 10 years is a long time, but as you said upsetting over a few pixels is pointless. About the script - good job! Looks like you can have fun with it !

SIM-1349466 - April 3, 2022, 7:59 pm

I don't think so bro for I know it was just being purchased before and looks like it's still available by donating to the forum but not really sure.

Maybe best thing if you want to purchase this award, you can ask some staff about this award.

Yeah it was a limited edition award and cost 1K.

I believe only 12-15 users have it.

MentorPEN - April 4, 2022, 1:26 pm

Which ever you couldn't get is the best award for me!

Regards.

pubmaster - April 4, 2022, 4:17 pm

Obviously the Gamer award!

Stepdad - April 4, 2022, 5:24 pm

The best award, without question, is the Diamond award. Such a cool thing to see on someone's usercard.

If only people would research ones awards they would understand more about the value of said

awards.

Example: my YouTube award was issued long before it was even available.

I shit you not, I got the LR needed for the award 1 week before it was removed and never got a chance to buy it :(

As i said, some members awards are very common and yet some are not.

one more on my profile: My asswipe award.

given to me by omni him self and has some history behind it that only a few know.

Awards are a piece of history for some and some awards are just money.

it's all how ones see's them.
