Thread: [Testcube arrived safely](#)

testcube22 - April 3, 2022, 8:42 pm

my name is testcube lord i hack for a living and educational purposes i love peace and unity. show your pockets and i'll show yiu the hidden treasures of darkness says the lord.

Yanix - April 5, 2022, 7:06 am

Good luck on your Hack Forums journey. Take time to read the HF [Help Docs](#) for your guide along the way.

I read the title as 'test tube'
Welcome test tube baby ??

hotwheels52 - April 5, 2022, 9:49 am

I'd love to see the hidden treasures of the darkness, my lord. Welcome to HackForums OP.

Mozzyyx - April 5, 2022, 11:02 am

Hey its very nice to mett you. Welcome to HF my friend. You will meet some very cool people here that will help be able to guide you through the forums.

Stepdad - April 5, 2022, 7:38 pm

Howdy, [testcube22](#) and welcome to HackForums. Hope you find what you're looking for.

DashPHP - April 15, 2022, 1:14 pm

Yoo testcube lord, keep it up and stay active.

testcube22 - April 20, 2022, 10:20 am

dunno why everyone love good things in our world, ofcos whats good is bad and whats wrong is good....love yiu all buddies!

Lixm - April 20, 2022, 3:42 pm

Have a fun experience on HF!
