Can't wait for the fight 2 days is coming. How you see it goes?

Gilbert has strong ko power and and take down defense.

khamzat is elite there are fighters there are champions and there is elite. chimaev is elite.

this going to be interesting. I bet on khamzat by ko or decision.

I don't know much about the sport, but my friends are all really hyping up this card and I'm very excited to watch it with them.
