Giin - April 8, 2022, 10:09 am

Hello Ladies & Gents, I'm offering a new High quality mentorship from A to Z On Google shopping 2022. In this mentorship I will be working alongside you to pick a store name, niche and show you exactly how you can take advantage of the cheap and free google traffic, this method I've been using myself since April 2021 and I have been CONSISTENTLY selling between \$450/\$900 a day easily.

Some of you may remember me from my previous mentorship program, however I've recently updated my program and I've decided to offer my knowledge to only a few select people each month. I will literally be teaching you everything from start to finish, sharing with you all my strategies and exactly how I run my own stores. I've been consistently making money from my store \$7500/8000 in revenue. So if you're looking for a serious business where you can work from the ground up alongside me but with no prior experience this is PERFECT for you.

This is easily over \$10,000 worth of value and you're getting it for only \$899?!!

Thank you, yes it works anywhere in the world. You can start with no initial investment but if you wanna scale you can spend whatever you're comfortable with. You can expect seeing profit after the first month.

Purchased this from Giin, so far so good! Will update my review when ads and sales are live.

Healasuk - June 15, 2022, 9:54 pm

I got to say I purchased this from Gin around a year ago and has yet to make a profit. Gin seems like a good guy and everything and have no ill towards him or anything but it is very hard to find time for him to meet with me to start working on the website, products, etc. Last time we met was on June 13th, 2022 and in the middle of the meeting he stopped responding and been MIA since. So Gin if you are reading this please get back to me on discord asap

UPDATE: Gin has got back to me and advised me that his laptop broke which is why he disappeared from the meeting. Were back in contact and making progress on my store. Will keep this updated. Gin was very supportive today and made good progress today. Hoping this is consistent. Cheers

Stanley - June 23, 2022, 10:09 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I purchased this mentorship from Giin on June 21st, and I'm here to tell you he is a liar and this whole post is a scam to get you, the reader, to become excited about nothing that will ever come into fruition. On the initial call, I asked Giin for more information on the drop-shipping method (in particular how he finds a winning product and how he achieves success). He plainly responded by saying, "this is all in my mentorship." That was obviously a red flag, but I was desperate to earn income. After sending him Bitcoin to his wallet, he took one call but halfway through setting up a website I purchased, he said he had to bounce for a meeting.

The call ended and I tried following up for a second one. That call never happened. He told me to setup payments for my Shopify store in the chat. Within the same day, I did this and showed completed screenshots. Further time past, day after day, where I asked what the next steps were. I sent "@giin", and finally after asking for a refund because I never got replies, he still never responded. Last message was sent by Giin was on June 27th saying to setup the PayPal on Shopify. That's where I am and that's all anyone here purchasing will get to.

dariusfortunata - July 6, 2022, 9:30 am

Having a hard time hearing from Giin too. I'm at the same point, where I setup payment on the Shopify site.

Morenakaz - July 6, 2022, 10:14 am

He isn't replying anymore as well over here.

bluetrxion - July 21, 2022, 12:26 pm

Same he isn't replying to me either

Healasuk - August 31, 2022, 12:21 pm

Looks like he pulled a exit scam. I've been under his mentorship for over a year and never fully got a store setup, because of his "meetings" he'd always have to attend and cutting our meeting short. During the mentor ship all he did was make me spend more money on random shopify addons or domain names, etc. So not only did I waste my money on paying this guy for the mentorship, but I spent so much more money month after month on these subscriptions that Gin told me to get for the shopify store. Last time he messaged me was on July 2nd, 2022. Unfortunate to see he pulled a fast one on so many other people as well

Why don't you all open up disputes then so everyone is aware of the situation until it gets resolved

(if it does)?
