Thread: [CARTEL CREW FOR SALE - Crypto Club \(\\$500\)](#)

Blockonome - April 10, 2022, 3:32 am

Hi guys,

In no rush of selling this crew, however, I am ready to sell it for \$500 at this moment in time.

Cartel Crew - Up to 20 members in total, ability to set your own userbar and of course have your own crew vault for bytes.

You will be paying the transfer fee, which is 10K bytes.

Answer on this thread for more information or contact me through PM / Convo.

Allelujah - April 10, 2022, 11:41 am

good luck with this.

I don't think anyone is going to pay 1k for a crew. I could be wrong though

No worries, if that is your assumption, that is totally fine, but there are some people on this forum who can afford and will most likely be willing to do, if not, I will keep it, no rush as I said :)

Rev - April 26, 2022, 12:22 am

I find this hilarious as when you led me on to sell me co-owner, raised price, kicked me and now want 800\$ for it. GL with that

Blockonome - May 18, 2022, 11:45 am

For the next 24 hours I will be willing to sell the Crew for \$750, if 24 hours passes, it is back to \$800.

Grim - May 18, 2022, 3:01 pm

good luck with this man! btw that userbar looks sick! love the animated stuff more and more

Blockonome - June 13, 2022, 1:23 am

The price for this crew is now \$700 and if someone wants to buy it today, I am willing to sell it for \$650!

Blockonome - June 20, 2022, 6:32 pm

Okay, so price is now \$600, this is a real nice buy, for anyone that wants to have one of the biggest crews on the forum!

I am not really sure what you mean? Special price for next future? \$600 is the price. It is a steal for a Cartel Crew.

It is still available for \$600 - If you or anyone else is interested.

Pound - July 3, 2022, 10:59 am

Fuck it. If it's still available I'll have it.

SIM-3878067 - July 4, 2022, 8:13 pm

Can I be a part of it until it's sold? :P

It is still available, however, you are unresponsive, if you really want it, then come and get it! :)

Blockonome - July 13, 2022, 4:45 am

\$500 for the crew you pay transfer fee offer today, next 24 hours from now.

Blockonome - July 15, 2022, 1:41 am

As no one bought it for \$500, the price is now back at \$800. In no rush to sell, wanted to give people a good deal.... Have a great day!

He did ghost me indeed, told me he was waiting for funds to come into his bank and vanished.

So he missed the good deal, but crew is still for sale! :)

Pound also regularly ghosts me when trying to deal with him. Doesn't really care for others time.

Yes I have tried this before, he reserves something and then he just disappears. However, it's all ok
- Crew is still for sale for \$800.

I bought a car for \$1000, it was new at the time and everyone loved it and wanted one. I gave it some fresh paint, and even let my friends ride in it. A year later and some milage I decided to sell it for the fair price of \$800... yet no one seems to want to buy it. Is it the fact that a large amount of people left my city driving the potential customer base down? Is it because the field became diluted with other nice looking cars? Is it because no one really cares about my car anymore?

No... no. It's the people that are wrong.

Your car really has no use anymore either since the city stopped development and repairs to the infrastructure it was originally intended for.

As far as I know, there are no other cartel crews for sale, and since I am not in a rush, I would rather wait for the right buyer as of now. :)

People have offered more, perhaps you need to understand that some people do not want to disclose their offers. Try and become just a little bit intelligent, I can definitely see you speak before you think.

We are offering a nice cartel crew for the nice price of \$500. If anyone is interested, please do let me know! :)

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Damn, \$500 is extremely cheap for a cartel crew.

GLWS brotha, hope you get at least that cause they're worth way more.
