Thread: [\[\\$5,000 PER MONTH\] UNIQUE PASSIVE INCOME | 1:1 MENTORSHIP \[EARN OR REFUND\]](#)

Snoopti - April 10, 2022, 4:15 pm

There wont be any fancy thread to make it look good to people buy it and i will be straight to the point

With this method i made nearly \$2200. Since its just the start of the month, its pretty good.

Payment proofs; started 4 1/2 RDP's like 9 days ago = 2200\$ received 2 days ago & yesterday.
<https://imgur.com/a/WBQcHIm>

This method is semi passive, just needs 30mins to setup & would be good to take a look at it every 5-6 hours,

checking how's going will take like 2-3mins so everything is simple and any noob can do it without problems.

Since the method is repeatable, scaleable and 100% unsaturated, I am willing to sell it but with limited copies.

There is hard chances for this to get fixed or somehow stop working thats why i am fine with sharing it.

You will receive 2 Tools + 1:1 Mentorship on how to use it + ofc gonna answer all questions.

This method also requires a RDP, if you dont have one or dont know how to get it i will help you where to buy them for really cheap (\$10), you can use it on your own PC too but RDP is recommended.

The method doesnt contain any shit like selling stuff, talking with people, gambling, trading, ewhoring.

Its simply running the 2 tools on your RDP 24/7 and it will do all the job for you

2 More Copies Available! [8/10]

Price Per Copy: 350€ FOR FULL METHOD + 1:1 MENTORSHIP AS LONG AS YOU NEED + 16/7 Support (I would like to sleep daily 8h if its okay)

at each 4 Sales price will raise + 50€ until a maximum of 450€ PER COPY.

If you wont make 400€ in the first month using 2 RDP's running 24/7 you will get FULL REFUND (tbh impossible but just to mention)

Also there wont be any shit like "I need to prepare you this or that" - once you paid you will get everything INSTANTLY + we start Mentoring whenever you want.

What is the initial investment required for it? Waiting for some reviews.

However, if you can count me in, I would love to write a review after testing this out.

You just need to invest for RDPs depending how many you want to run

For example 1 RDP can be 6-8\$, contact me on discord for more info

Hey,

I just started a contract with you. Can't wait to see this method !

I will make a review as soon as get some results ?

Edit:

I have setup everything and, for the moment, the method works perfectly. The profit are here, and it's almost 100% autopilot. Nothing paid atm, all the paiements are made the 7th each month, we'll see then.

Here is my profit, in the past 4 days:

?Impossible - April 24, 2022, 5:46 pm
