Hey all, Looking for a script to bomb around a few numbers for a few days,

If any one has an old one laying around or can write one up do PM me,

can do BTC/ETH as payment,

thanks

[contract=tid]Start Contract[/contract]

I can for sure make you on, depending on your budget.

PM me a number/range I have a pretty good budget to put out for this.

Thanks,

Thanks,

Do you need to be in charge of the service yourself?

Or is it fine enough if I do it for you?
