Got a solid account first go, didn't take a bunch of different user/pass combos unlike some vendors. Had some sick skins, and I had the account within 10 minutes of the contract being open, 5 after paying.

Smooth as silk, quick as lighting; come get you a smurf today. :)

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
