i've noticed when you hover over time (how many minutes ago post was made) it shows actual time. I guess that's a new feature :)

Default MyBB feature. Always been there. But actually I could improve it with our better formatted hover.

I'm a new man, a changed man. Still haven't found god though. He's probably passed out by the train tracks from huffing too much paint.

i've recently switched from Win7 to Win10 so that might be the reason I haven't noticed it before. No idea tbh

Some bull shit that you can't even have weed in your system. Like all that's going to do it slow you down.

Its sucks to think that Nick Diaz actually got suspended for fucking 5 years not so long ago, and now basically there's no fighter who doesn't smoke

I see nothing to celebrate about this day. What's next, celebrating the legalising of rape?

Net - April 20, 2022, 10:31 am

This was the first year in the last 10 years that I legit forgot the 420 date.

Ah yes 4/20, what a glorious day. I will be tuning some skills and smoking all night long. Took some edibles before work, only a few hours left.

Mac Miller - April 20, 2022, 10:54 am

Happy 4/20 omni! Sadly my pack didn't come in on time but you know I'm hitting them hash bowls

Not really. Don't enjoy it.

Vitani's Mate - April 21, 2022, 12:57 am

Didn't celebrate it this year. well yesterday since I had work next day, also couldn't get any since I lost contact with my dealer and I don't really smoke that much anymore. lol

Burnzy - April 22, 2022, 1:29 pm

Yay am almost 12 years ? happy anniversary.

Cooligan - April 22, 2022, 10:31 pm

Those 2 awards made my 4/20 that much better seeing I didn't do much this year for it surprisingly enough.

Also wasn't that the first 4/20 HF banner we've ever had? I don't recall seeing any in the past years.

iNviZ - April 29, 2022, 5:52 pm

Can't believe I missed this day on HF. Awesome to all you donated for those sexy awards.

I'm confused as to whether or not you are for or against marijuana lol. Some posts make it sound like you look down on people who smoke it, and then in other posts you celebrate it.

coding_core - April 29, 2022, 10:58 pm

Yeah ola ola ola Always been there
