Looks interesting bro, you really have a hand for it???

Tell me what did you name this work?

Praetorian92 - April 23, 2022, 2:59 am

Make it an NFT, take my money.

Bastille - April 23, 2022, 3:08 am

What device did you use to paint this, mouse, pen ? and which software did you use ?

I'm wondering what would happen to put this piece of art on this :

<https://www.nvidia.com/en-us/studio/canvas/>

Precisio? - April 23, 2022, 5:21 am

Nice...

Can you explain the concept?

Man is indeed a legend!

You can create NFTs and make money.

G?df?t?? - April 23, 2022, 11:13 pm

I love this. Very abstract in its own unique way. It gives me a Bob Ross vibe but with simplicity that complements the overall aesthetic.

Very nice work!

Blockonome - April 24, 2022, 8:22 am

Not going to lie, this is probably better than what I can do with painting xD

The - April 24, 2022, 8:27 am

That's still a billion times better than what I can do.

DeepWeb - April 24, 2022, 2:52 pm

you should start making a nft album.
