Purchased this today.

Seller was really patient and helpful during the mentorship.

Looking forward to more.

Definitely worth the price, don't hesitate to deal with.

Bought this yesterday, all is working today - and the only reason it took a day was because of the RDP provider. I can greatly recommend this service, very cheap, and the seller is really friendly and smart.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
