Hello,

I'm selling my Talon blue gem its #1 pattern

<https://gyazo.com/72f551d03c37eefafe51706233aa3835>

Price is 22.5k USD, payment in Crypto - Stable coin preferably

And many other skins can be found here: <https://steamcommunity.com/id/Patcho1337>

I will not go first to anyone, I have a big cash-rep :

Beautiful.

Aiming to have something like this one day. Good luck in future endeavors.
