I don't think it sucks, but I do think Tanjiro is heavily guarded with plot armor.

If it wasn't for Ufotable's animation, it wouldn't nearly receive the praise it has.

blackrose_x0x0 - April 30, 2022, 9:11 pm

I just started demon slayer recently and so far, I'm enjoying it quite a bit. I wouldn't say it sucks at all. I do agree with Tsundere that the artwork is really pretty.

it doesn't suck at all, it's like an 8 bruh. why don't you say what u dont like about it

First season: 10/10

Mugen Train Arc: 8.5/10

Entertainment District Arc: 9.5/10

I'm planning to eventually get some Demon Slayer inspired tattoos.

Nezuko booba is all I need

Hackenbacker - May 30, 2022, 8:42 pm

Still my favourtie anime, Will always love it!

I-I - June 5, 2022, 6:12 am

My friends keep swearing by it but it just never keeps my attention for long. I've tried watching it 3 or 4 times and I only know what's going on up to the 2nd episode.

Ghouls - June 7, 2022, 3:37 am

Demon Slayer is a gem. With one episode in the first season being in my top 10 all time favorite anime episodes. Ufotable has truly done it wonders.

Zont - June 21, 2022, 3:37 pm

why are ytu saying that?whats your opinion?

Beherit - June 30, 2022, 9:10 am

Now that's a hot take!

What I don't like is the comedy. I think it's overkill and it feels forced. If the comedy was more subtle, I think I wouldn't be as annoyed with it.

RealEU traffic - July 1, 2022, 8:46 am

Theirs no way demon slayer is awesome, Japanese subtitles are the best.

Indeed. I really like the way its going, especially with this latest season.

wrenthead - July 8, 2022, 8:46 am

Another hot take: I totally agree with you, OP

baka~ - July 9, 2022, 10:47 am

It's overrated like Hero Academia but doesn't suck imo.

Every now and then there will be anime which gets extremely hyped up and this is one of them. It's not bad though.

rfal - August 3, 2022, 8:50 am

fr i made it to episode 7 season 1 and gave up. might try to watch it again

Zoris - August 14, 2022, 8:57 am

animation is amazing. though i respect your opinion I have trouble seeing why.

Lyralei - August 14, 2022, 3:39 pm

Eh, I'm not a fan of the story either, but I wouldn't say it's terrible.

Cloudy - August 15, 2022, 9:08 pm

My girl and I just started it. So far it's kinda slow but I'm enjoying it. She's seen it and says it's really good so I'll take her word.

Demon Slayer is definitely overhyped, I liked it, but it definitely isn't anything too special.
It's an interesting story, but the trope is so overdone at this point.
Main character and sidekick traumabound, with some special powers.

I want to find more animes where the main character is just an average person lmaoo

Average person? Kenichi, from Kenichi: The Mightiest Disciple is a good example of an average guy. It's pretty ridiculous but I enjoyed it.
