OP you seem to be using contracts wrong with a few people here. Be sure you are linking this thread to the contracts so contracted customer badges correctly appear for those with valid contracts.

Stanley - May 24, 2022, 1:06 pm

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Regardless of what happened. He is showing the signs of a scamming spree. If everything is ok then he has nothing to worry about.

It was only \$40. I can't imagine how big of a fucking loser scams \$40! That's the funniest and most pathetic thing I've seen all day.

\$40 is still a lot.

20 users x \$40 = \$800 for example.
