Thread: [Where is the wiki?](#)

glitch-sentinal - May 1, 2022, 8:09 pm

I noticed that the HF wiki is back up but cant find it, can someone give me the link to it?

You can get to the HF Wiki here: https://wiki.hackforums.net/Main_Page

On the top left of your page, if you click the hamburger icon, there's a link to the wiki on there too.
