Thread: [What Is The Best Crypter For WARZONE RAT](#)

Bossman19 - May 2, 2022, 7:12 am

i use KGB crypter it works fine with warzone but it seem like the owner is not serious anymore - so i'm looking for another crypter that would work fine for me

Eclipse - May 2, 2022, 7:24 am

i cant recommend public crypters. But

If ur gonna buy a public crypter atleast get a PRIVATE STUB for more Fud Time

If u want Long fud time And good runtime [Depends on Seller] Get Private Crypts There is Some in the market.

SO get a Private Crypt or a private Crypter.

GL!

CAN YOU RECOMMEND A VERY GOOD KEYLOGGER FOR ME? i USE ORIGIN AND CASSANDRA PRIVATE BUT THE PROGRAMMER OF ORIGIN HAS ABANDONED THE PROJECT SO I AM LOOKING A BETTER ONE.

yes KGB isn't serious anymore. Have you found one? I use cassandra private and its manageable till a better one comes around. DO you have an idea of a very good keylogger apart from ORigin?

Eclipse - May 2, 2022, 8:28 am

theres some in the market [Premium Tools and Programs](#) check it out

Milk - May 2, 2022, 9:35 am

Jana crypter private stub and mosecs crypts are good
Though I wouldn't recommend using warzone

Here at Warzone we have our dedicated crypter. <https://warzone.ws/crypter.html>

You can use my discount code "DAN" for discount on any warzone product.

We also offer private stubs if you are interested too, add me on tele.
