Benjam1 - May 8, 2022, 8:35 am

Hello Bosses,

After analyzing the market, I decided to launch the cheapest traffic service ever created in forums. Here is my offer: premade snapchat accounts with [BRAND NAME REMOVED] friends, from all over the USA, 21+ yo.

Prices:

? 100 adds : 30\$

? 200 adds : 58\$

? 300 adds : 84\$

? 400 adds : 108\$

? 500 adds : 130\$

I offer 50 [BRAND NAME REMOVED] adds in premade as vouches copy to 3 reputed members (old member with good business rate).

I would like to take the vouch copy as I'm in ewhoring biz for quite a bit. Let me know if you deem me reputed enough to offer the vouch copy.

Stanley - May 9, 2022, 6:46 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I comment on the news feed to come back here one day, when there will be people who confirm the good quality of the service

I am looking for a huge amount of traffic

(can you send traffic to instagram?)

Hey there, thanks for your interest. It's still on testing phase, for privacy reasons, but we will be able to offer it next week; I'll let you know.

Hey bro I want to buy traffic. What's your telegram ? Message me please

Mr. Atlas - May 28, 2022, 7:10 am

I will take a proof copy, send me a message

Edit :

Benjamin1 agreed to give me a copy,

I got snapchat account with 100 add , (on 2022-09-29 01:30 A.M) account comes with 0 snapchat score points

but it's a small mistake, I don't think it will happen again in the future.

I continued to receive supplements throughout the day.

I confirm that Benjamin1 will provide you with what you paid for

theplunderer - May 30, 2022, 7:35 am

I can vouch for benjam1, that he is legit and will provide quality snapchat adds.

I got a pre-made snapchat account with 70+ adds on it.

The earnings are totally dependent on your SE skills.
