Hiyo,

If you are from the following countries, Code Luxembourg, Austria, Belgium, Denmark, Estonia, Finland, France, Germany, Greece, Ireland, Italy, Lithuania, Netherlands, Norway, Portugal, Spain, Sweden, Czech, Hungary, Latvia, Poland, Slovakia., then you are in the right place.

I have a task for you, which is.

1. I will give you a link, where you need to sign up, and download an app to create an account.
2. Then you need to verify your account with Passport, and a simple selfie.
3. After the verification, you will get 5 euro bonus on the app, and I will give you the 5 euro in your PayPal (after account verification).

(note: only the above country list will work, and you will need to give me your number which you had used to sign up).

Easy 10 euro.. :) you can make more, if you have family friends, and so on. More info in discord.
