Thread: [Hi, I'm Silly](#)

silly - May 11, 2022, 10:20 am

Hi I'm new on the site and really looking to make a good network of friend, biz partners and also people I can learn from. Learnt about this site last month and I hear how really good it is in meeting same ambitious people like me, getting deals off the site and I will really love to be among the winning guys on this site, feel free to DM and add me up here as comrades
