Thread: [Midi-Chlorian BOTNET/RAT Progress Update | Anti-WD & VM | Anti-Process | Startup](#)

Midi-Chlorian - May 12, 2022, 6:46 pm

Previously known as Justice Botnet

Midi-Chlorian Administration

[Video: <https://vimeo.com/709318619>]

Client:Startup Persistence in Registry

Anti-VM

Anti-Process (Common Analysis tools)

Anti-WD

Keylogger

Desktop Screenshot

CMD Remote Execution

Panel:Idle Time

OS

IP

Country

Uninstall Client

Remove Startup

Remote Download and Execute

Shutdown and Restart PC

Fetch Process List

Todo: Write builder for stub.

As always taking suggestions from everyone as I continue to work on this project.
