Thread: [Hiring artist for NFT collection](#)

Bag - May 14, 2022, 5:19 pm

I'm looking to hire an artist for an NFT project.

If you're willing to work closely with me then you don't actually need any prior experience making NFTs.

I'm more interested in your particular art style than NFTs.

Post your portfolio here and I'll DM you the project doc.

Yeah!

It was a graphics-related usergroup back in the 2015's I think? High quality one for sure :)
