Hello people

I am offering send 1k of sms if your target are tmobile users

just because i have a gsm gateway and i dont have nothing better to do :D

the condition is:

Your victims need to be TMOBILE users, i dont gonna explain why, just i gonna say its easier for me spam tmobile

the first 5 of ask for free sms are the winners :D

Thanks!!

Btw if youre numbers are not tmobile, or u just generate random numbers and send it, i dont gonna send it, i gonna validate the whole list of numbers before send (with numify)so please dont cheat :)

Kind Regards!
