Thread: [BTC Pizza Day Award](#)

Omniscient - May 22, 2022, 10:00 am

Today is the day that 2 Pizza's were sold for 10,000 Bitcoin thus marking the very first transaction of Bitcoin for goods.

In celebration of that amazing moment in time I am offering the Pizza award today for only \$25. You can only get one but you can gift it to others if you choose.

Enjoy and thanks.

Another day I told myself I should stop spending money and here I am getting a pizza award and now probably a real pizza too.

Thanks Omni ???

blackrose_x0x0 - May 22, 2022, 10:52 am

As soon as I saw this, I got the award immediately. Couldn't pass it up. Pizza is the best.

Had pizza last night but hey, think I might get another one today as well just because. I'm thinking some kind of classic NY style cheese pizza.

two circle k's went up on either side of the neighborhood locally, made me think of this.
(Their logo's & where the fuel goes in on the eastern circle k looks oddly similar to a napkin tucked in) records, pizzas, cigars, post (also post Texas), still a concrete factory and some properties by Kw platinum realty company up for sell.
