Thread: [Me shooting a 12ga one handed!](#)

Livewire - May 24, 2022, 8:27 pm

Just figured I'd post this. Had a fun time with some friends and figured we would try one handing the 12gauge.

I fixed it now and I was sore afterwards but nothing bad.

AMUHACKz - May 24, 2022, 8:56 pm

That's pretty cool, I know 12 guage has some kick! Buckshot?

Livewire - May 24, 2022, 8:57 pm

It was actually only birdshot, but to be fair I don't notice a huge difference in recoil between bird and buck shot.

Hell yeah, that was still kickass! Lol I want to try it!

Bubbers108 - May 24, 2022, 9:05 pm

That was badass haha, you handled that kick pretty well.

SoulHarvester - May 24, 2022, 9:07 pm

What's your favorite weapon that you own currently?

Thanks. I did it like 15 times that day. My friend tried and kept dropping it, but it's really not that hard.

bk randy - May 25, 2022, 6:47 am

Lol nice man! Good way to enjoy the day!

littleblueguy24 - May 25, 2022, 7:21 am

I imagined a completely different scenario

Lol thanks bro.

I need to get back in the gym. I've been out a couple months now. :(

Nullusia - May 25, 2022, 9:31 pm

I've done that before in COD, pretty fun

Can you actually do that in COD or you just talking about hip fire lol?

Haha I was just talking about hipfire, because it reminds me of the model 680 which I always use

I don't know much about guns though, i'm from a country (UK) where you never really hear about them as much as certain other countries

jcole - May 26, 2022, 6:01 pm

12ga mossburg. I forget the actual model type. Something 500.

Beherit - September 17, 2022, 1:20 am

That's actually impressive. You should post more videos like this.

I remember as a kid my brother tried this and the gun kicked back and smacked him right above his eye and left a gnarly bruise on his forehead. It was funny as fuck but also really dangerous.

The video is pretty cool, I'm sure it was a great experience!

Also in regards to your friend dropping it, it really has a lot to do with hand/wrist strength at that point, grip etc.

Tell him to work on his forearm muscles more. ;)

Pikachu - September 18, 2022, 10:47 am

Don't think I have the strength to one hand a shot gun lol.

JTheRipper - September 18, 2022, 12:41 pm

that recoil control is great. good job

It's all in the forearm.

Not gonna lie I did it like 15 times and my forearm was sore the next day.

PxPxPx - September 19, 2022, 9:44 am

Do you have anything bigger?

I have that problem sometimes with a barber shop I regular.
Also them taking phone calls while cutting my hair.

Th3SiNz - October 2, 2022, 7:07 am

Love seeing this, you should start a series of you shooting random things

Shit bro, if you pay for the ammo I'm down; haha.

I like to go out shooting every few weeks if I can, but I prefer fishing a lot more now-a-days.

Regulus - October 2, 2022, 7:10 am

Now this is some awesome Terminator shit.
I'd fly like an ant 10 meters if I did this Imao

Same, but luckily one of my main barbers is the owner of the shop and he does my shit clean as fuck in like 15 mins even being distracted.

Haha, it really isn't that bad if you anticipate it well.
Worst that should happen is you drop it.

mickeh - October 2, 2022, 6:03 pm

You handled that like it was a 410 aha

Immortal - October 2, 2022, 7:00 pm

What shells you got in that I could throw a 3 1/2" super magnum slug in and make it hit a bit harder lol.

Investor - October 2, 2022, 7:02 pm

Now stop using target loads, and put in a supermagnum, slug, or 00buckshot. ya know something with actual kick.

I'll level with you here.

I have no clue what that is and I'm too lazy to google it.

I've had no issues one-handing it multiple times.
