POTENTIAL EXIT SCAM: DO NOT DEAL WITH THIS USER UNTIL THIS DISPUTE IS RESOLVED.

Edit: He has seen this dispute and is choosing to ignore it.

Waiting on user to refund me for my \$530 crypto sent in exchange for PP. his PP account didn't work so I asked for a refund. He agreed to refund and has been ignoring my messages and not sending my crypto to my wallets for hours.

TO BE CLEAR: at this time, this user has stolen \$530 crypto from me and given nothing in return. Do not deal until this is resolved.

Thank you for this information, I was about to make a deal with user

Glad I saved you. He is exit scamming. My luck but oh well. If someone scans you for \$500, obviously they need it pretty badly so good luck with it mate.

What? The fuck? He has ignored all my messages and fucked me over as I was begging him to just send my money back so I can go to sleep.

If he refunds me, he is by far the worst currency exchanger on this forum that I have ever dealt with.

But as of right now, THIS USER HAS SCAMMED ME AND IGNORED THIS THREAD AND ALL MESSAGES.

He sent me a PM to buy every PSN and Xbox gift card I am selling. I was excited to sell but luckily saw this thread. He is trying to get whatever he can before he leaves. \$500 is a lot I hope you are ok.

Nothing for me, I'm good. Matter of principle. Glad you didn't get scammed.

Funny because if he had a brain he would have just made way more off of the return business I would've gone to him for a normal smooth exchange.

Honestly I'm going to leave this up now regardless of whether he pays me back or not. Nobody should exchange with this user.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Hope this does get resolved. \$500 is still \$500. If not he definitely needs to be removed.

Grindelwald - May 25, 2022, 7:14 am

Bro, don't you see his thread, the guy was spamming his Bustabit accounts daily, I'm pretty sure this guy does nothing else but to gamble daily and obviously he gambled his money (because there is no way to beat the site like he say) and now he probably is looking for victims, the moment I saw his thread about selling AGC I knew there is something shady going on (as he said I don't need the AGC for me but I need crypto as its low), like who gambles daily when crypto is low, you just buy it and save it lol.

GL Onlyfans, hope you get your money back :)

flavoral - May 25, 2022, 7:22 am

cokecaine - May 25, 2022, 8:58 am

Sorry for your loss OP. Definitely looks like an exit scam.

DeepWeb - May 25, 2022, 12:49 pm

he used to buy bots from me in the past but only low amounts.

today he messaged me on telegram to buy 5k bots for 250\$, and he wanted me to instantly send him the 5k bots and later he will send me the money but i didn't accept.

i also asked him to use a middle man or open a contract first then i'll read his application and check his file if it was fud before sending him bots. but he ignored me because it was hard to scam me.

Kanye - May 25, 2022, 3:56 pm

Defo tryna get every last bite. Got a message from him asking to exchange 400 dollars PayPal, I ignored him since he reported me for "trashing" his BustaBit thingy. Stay away from anyone who offers anything related to gambling, and if someone refuses to use a middleman it's most likely a scam.

Staff usually does not get involved in deal disputes.

Now that I'm no longer limited and can comment on this, thanks to everyone who came to my defense. Got unlucky with this one.

Sad to see that even after this dispute was opened, he managed to scam more people. Like guys, read their B rating, I literally said he was exit scamming.

eSp0rt - June 2, 2022, 6:35 am

Xrated bought me my service he was a nice guy.

Btw it's seems like he search to scam people if it's right he need to be banned asap. Sorry for you loss OP.

raregod - June 4, 2022, 10:32 am
