Good contest. I think some HQ regular members deserve to get upgraded.

**Livewire** - May 26, 2022, 7:23 pm

Nice of you for doing this. Good luck to the member that gets chosen.

**Pound** - May 27, 2022, 3:22 am

Wow. No one wants an upgrade then ? I ain't giving this to anyone either so I'll extend it if I haven't found a member worthy enough.

**XERO** - May 27, 2022, 4:32 am

Why i want it ?

If i had enough for an upgrade I would have gone for it but cannot have such move while being in debts.

Why would I deserve it ?

I'm a legit and direct person when it comes to transactions, Most of the time I go first to leave a good image to every person I deal with.

I really appreciate the contest. Thank you!

why i want it: l33t is cool and it will allow me to finally change my username

why i deserve it: i have saved like 300+ people from financial fraud in the past, coulda used them logs to buy l33t, but i didnt B)

**Pound** - May 27, 2022, 4:33 am
