I'd be willing to take one vouch copy in exchange for a review since I've already reviewed your product before and it was very good. :)

First I wanna thank you to LeadPal for giving me VC. This eBook has 12 pages, and each step is detail explained. It will require some work, till you start with earnings but it's not hard for execution. Definitely worth the price.

Chez_Yuki - May 28, 2022, 12:45 am

Hello,

I have one question for you. How much time per day we have to work for reaching the 100\$ / day ?

Thanks, and GLWS

This is not the type of review I'd expect for a vouch copy. Hope you add more information or someone else gets a review that will actually execute the method.
