I forgot how toxic this forum is I see you neg anyways not that it means shit anymore but thanks for taking time out of your day for me :) it's a real post

Would 10 million bullshit rep help you feel better about the post get some money broke boy

This is why rep here don't mean nothing ppl give neg rep for the hell of it just cuz they can cuz they paid for a upgrade so they feel better about wasting money on cosmetics so it makes them feel better

Rep don't mean shit I can give you a VC

I mean if we use a MM i am better off just giving it to you for free but we can use a MM I'll never refuse one ain't no bs over here

Reason I said that about a MM cuz if MM holds till profit what was the point in buying? I was better off just telling you on GP but I know ppl scared to get scammed so I respect that to but yeah we can use a Mm
