(May 31, 2022 12:07 AM)Hell Wrote: [\[CITE\]](#) Hi everyone. I received a Vouch copy from OP. Here is my Honest Review.

This is Hell and on behalf of "Money Masters" i am reviewing OPs "Easy Money".

I received a vouch copy of his method as PDF.

OP sent me the PDF and it was downloaded instantly. Just like the name it was a very easy to read ebook with just 9 pages.

For anyone who is just starting out with making money online, i would suggest to get this ebook for this amazing price. It will get you started with earning money online in no time.

Even people who have been in the money making scene can learn something from this ebook. It's very user friendly.

OP also goes on to explain the hurdles anyone can face while getting into earning money online and how to overcome them.

I did some grammatical corrections and gave OP a few tips to add on to his ebook and he was quick in making the necessary corrections.

I can see people making money with this method and i am sure that even a noob can read this and start making money.

The method can be rated 8/10 overall.

Good luck with Sales.

- Regards , Hell.

Payment frequency depends on the network.

Also yes, it can be more than 50\$. More effort put into the method = more earnings.

Obviously more work = more earnings.

The setup phase is what takes the most time, but all together I put maybe 30 minutes per work a day.

I am getting paid with USDC from OGAds.

No cashapp, only crypto at the moment.

Appreciate the honest review.

E-book was sold to some people already and all of them said that they have not heard about the method.

Would recommend this to people who are either starting CPA or are looking for a new method.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
