Thread: [256 GB 13inch Macbook Pro \(Unopened\)](#)

Looking to quickly sell a 256 GB 13 inch Macbook Pro, total cost (with tax) was \$1370

Buy it now at \$1,000 (25% off), it is brand new unopened shipping from the USA. No this is not carded and not shipping from any store or online place, I have it sitting here in my warehouse

You pay shipping, preferably USA only and only shipping with tracking and signature to avoid scams

Will not go first under any circumstance, open to using a trusted MM

Not be a dick to you sir or sales trash. But why would anyone buy off you for -25% when they could get it off amazon with free shipping for like 30% off with a gift card? probably avoid sales tax too somehow.
