?FAQ - Please Read before contacting me!?

Q: Do I need any additional investments?

A: Yes, you will have to pay for a Shopify plan - \$29/month. And obviously, money for advertising.

Q: Is the store ready for customers after you create it?

A: Yes. You just need to add your payment information, rest is on me.

Q: If I buy this today, when can I expect my store to be done?

A: Average time is 2-3 days but it can take up to 5 days to set everything up.

Q: How does this work?

A: The whole process is very simple. After purchasing, you will add me on Discord where we will go over a few things - niche, product, theme, and then I will begin working on your store. I will then send you updates to see if you're liking your store so far, if you want to have something changed, etc. After you're satisfied with the store, design, layout and theme, I will transfer it to you.

Q: Do you offer refunds?

A: Refunds will only be issued if I don't deliver your store within 5 days of purchasing. Please be sure you want this.

Q: Can you make me a XYZ store?

A: I can make any store as long as it's within Shopify fair use policy. General store, beauty store, clothing brand, accessory store, cooking/kitchen niche, and many other. You can read more here: <https://www.shopify.com/legal/aup>

Q: I don't like the store that you built, what now?

A: Tell me what you don't like and I'll fix it, simple as that.

Q: I'm under 18, will this work?

A: Yes, message me for details but you have nothing to worry.

Keep in mind, if you want to purchase a custom store from Shopify, it's going to be between \$500+ and \$1,500+.

From the start till the end I received the best support I have ever experienced. OP is always there to help you and doesn't hesitate to answer dumb questions (like mine). The result is incredible. Everything I wished for is delivered. Moreover the design is beautiful. I can not wait to sell via this shop. Guys I really mean it. If you need a shop then contact OP. This guy knows what he is doing.

Best wishes to you my dude.

Probably not the perfect support as the user is in a different time zone than mine, agreement was to do it within 5 days but it took much more than that, the support was good even though he will take some time to answer but was helpful and gave support in mostly any question.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Sorry mister, free vouch copy was already given out to another member. I can do second vouch copy for a discounted price. Message me on discord for more info.

How are people asking for vouch copies for such service? It's a whole ass website made and tailored to your liking. Nobody in their right mind will spend hours and hours creating a website for a vouch. Now a discount as a first copy in exchange for a detailed review is a whole different story, please let me know If you can do this, and shoot me a pm with some of the previous websites you've done in the past. I'm interested.
