Autophobia - June 30, 2022, 5:07 pm

Op has been a life saver for me with these codes. I receive 32 meals a week now after my initial order. These things are god tier with wicked macros. Hopefully these doesn't get patched anytime soon I'll be so sad bcz they are so good.

Yin Yang - June 30, 2022, 6:13 pm

Can you stack codes? Or is it 4 meals a week at a time?

I--I - June 30, 2022, 11:23 pm

You can do up to 32 meals a week to the same address.

Codes don't expire in my experience, never had it happen in 7 months.

FrankBarns - July 2, 2022, 10:22 am

I've started a contract and sent the bitcoin, awaiting my code now. :)

As a new member of HF I was skeptical of buying services on here for the first time but seeing this post was too good to pass up on with it's no-brainer price for value. But after opening a contract and talking with Brackets, I can say that it was well fucking worth my time and money. Dude's customer service and integrity is legit. Super quick and easy transaction (he provided me with easy instructions) and even gave me insane tips on the service to even further increase the value. Will be buying from him again for sure (if the food is decent xD). 100/10 would recommend.

Amado - July 5, 2022, 8:44 am

Damn, cheaper than my meal prep might need to get on this service.

Yep, they're great and surprisingly taste very good. People pay \$70 for it, so guess it has to taste somewhat good xD

amaster85 - July 12, 2022, 2:13 pm

I just received my first box! I am very excited to try out the food and definitely a huge vouch for this user. He delivers the codes with extremely clear and easy-to-follow directions.

FrankBarns - July 12, 2022, 5:15 pm

Just got my 4 meals today and already ate the chicken parmesan and I was really surprised, it's actually really good. I also like that the meals arrive fresh and not frozen, there was two large ice packs and lots of insulation inside the box. Even in 100+ degree weather and not getting home until 6PM, it was still nice and cold. Definitely gonna hit this up some more. Big vouch!

Thanks for the vouchers guys. Glad you enjoy the food as much as I do!

I've been doing this for over 6 months and it's been a blessing.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Haven't ordered coupons from him but def will a bit later. Would also like to add that a lot of the Factor75 meals are really solid. Many have great protein to calorie ratios if you're into weightlifting/bodybuilding. And no meal prep required is a huge fucking plus

TheOwner - July 17, 2022, 9:08 pm

Do I need to make a new account on their website for every new order or can I use multiple of your codes on the same account
