Thread: [Looking for someone to fix my python unfollow bot](#)

Physician. - June 3, 2022, 8:58 am

Hi, someone made me an IG unfollow bot a couple months ago but no longer uses this website. It has stopped working d/t bot not being able to find "unfollow" button. Maybe bc IG updated their platform. Paying for an ez fix, using chromedriver python script. Thanks!

I can easily fix this in very less time.

SIM-4773582 - June 3, 2022, 9:33 am

Hit me up with some details if haven't solved this yet

gjhghghg - June 3, 2022, 1:00 pm

Would be more than happy to fix this for you within the hour, and before payment as well!

Cheers

XERO - June 3, 2022, 8:28 pm

easy doing my friend, just convo/pm me if this still unsolved.

Physician. - November 29, 2022, 7:51 pm

it happened again.... the XPath for "unfollow" button has changed and I tried updating my python script but it still cant find the unfollow IG button

Don Cezar - November 29, 2022, 11:26 pm

Sent you a convo, I work with this kind of scripts on a daily basis

PMed, should take like 1-2 mins to fix I just can't find the new xpath

SuperiorUser - December 1, 2022, 10:16 pm

can for sure help you out. pm me and start a contract.

anyone can fix this.....????

007 - December 16, 2022, 6:35 am

PM me if you still need this, can do it for sure.

Physician. - *March 8, 2023, 6:39 pm*

Happened again, need it fixed. Just need to find the new XPATH for the unfollow button

Physician. - *September 5, 2023, 8:44 am*

same problem.... i can't find the xpath to the unfollow button on IG. i tried like 5 different ones
