Thread: [4 Month Apple TV+, Music and Arcade Bundle - \\$5](#)

Internet Bully - June 3, 2022, 10:59 am

Apple TV+
Apple Music
Apple Arcade

Selling these in a bundle, you will get a code to redeem for each one, each lasting 4 months.
The only restrictions for these are if you've already used a free trial on the account you'll only get 3 months and you can't have a active paid subscription.
You can get around this by creating a new apple ID.

US ONLY

Price - \$5 for all 3 codes
Payment- Cashapp, Btc, Ltc

I will be giving out 3 vouches to reputable members that post below

Hell yeah this is pretty cheap especially since the accounts aren't cracked

Think I could get a vouch copy?

For sure, start a vouch contract with which type of code you want

Swip3r - June 3, 2022, 2:56 pm

Got a vouch copy specifically for Apple Music since I don't really use the other services, 3 months it is indeed legit.

Should be 4 months but since I had it, the trial doesn't apply for me.

Thanks for the code brotha, GLWS.

I have no idea but I'm willing to try. Open a contract for a vouch and let me know which you want

Pound - June 3, 2022, 3:53 pm

Didn't work in the UK, for those wondering if any. Sent it to a friend in the US and it worked flawlessly though very nice service! Highly recommended.

I think thats how it works according to buyers, I haven't actually used on a personal account because I just dont use apple music

Huge vouch for OP. Codes work flawlessly if you're following the rules/instructions listed on thread; at this price it is a steal. I'll definitely be back for more.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
