Thread: [First time over the hackforums , looking forward for connecting with new friends](#)

Fortune Modem - June 4, 2022, 4:09 am

well hello mates , how you guys doing , look like there's many interesting things i can learn over here

If anyone wanted to guide me something , please let me know .

Eran - June 4, 2022, 4:17 am

Hello friend. This belongs in the Introductions section btw. Make sure to read the [Help Docs](#) and feel free to explore many of the things HF has to offer!

Pound - June 4, 2022, 6:06 am

Welcome to the community stick around and stay active.

Jake Johnson - June 4, 2022, 6:15 am

Welcome to the forums. Make sure to read the rules and stay active within the community. There is definitely a lot of good information that will help you learn on the site.

JTheRipper - June 4, 2022, 7:06 am

stay around and you'll find some credible information. welcome on board.

Azythum - June 4, 2022, 9:04 am

Many things to discover on HF, but it takes little time. Enjoy your stay. Start by capitalizing bytes by participating the daily checking thread maybe.

Ah, I see this was moved from lounge to intros. Good.

Also, welcome!?

Welcome to the forum man if you need any help shoot me a convo!

Save - June 4, 2022, 4:33 pm

Welcome friend. I Hope you enjoy HF!

obiteh56drzz - June 6, 2022, 3:04 pm

Great to have you here, Welcome to the forum man !!

I-I - June 7, 2022, 9:19 pm

Welcome Fortune! Yes there's lots you can learn here at Hack Forums

Make sure to check out the [Help Docs](#) especially the rules section [^^]

Hope to see you around!

Whatever you learn, try to practice that on your own. Are you talking about coding or hacking? Right?

mysQL 55th - June 8, 2022, 10:20 am

Keep on pushing you will find something you love.
