Thread: [G59 Crypto Shop \[BTC/LTC/XMR/ETH\] \[CHEAP RATES\]](#)

G*59 - June 4, 2022, 4:14 pm

Welcome to my crypto exchange! I used to run another exchange thread, but I took a break from HF for a good while. For now this thread won't be fancy but I will have a thread design made very soon. You can check my previous threads for vouches, and to see my sales threads and previous exchange. For a smooth exchange, please follow the terms, and contact me with your requested amount and payment method before opening a contract

Current Status: LIMITED STOCK - UNTIL RESTOCKED ALL TRANSACTIONS WILL HAVE A MAXIMUM

Current exchange rate: Dependent on payment method

Cryptos offered: BTC, LTC, XMR/Monero, ETH and MANY MORE

Payment methods: Paypal (Friends/Family only), Zelle, Bank Deposit, Apple Pay, and More (Contact for all methods/rates)

TOS

- I reserve the right to cancel or refuse a transaction at any time before the payment is sent
- You are responsible for any associated fees
- Mining fees will be deducted from the crypto being sent
- Any payments that are reversed, or falsely disputed, will result in a deal dispute being opened
- Transactions may only be done through the sites contract system
- I reserve the right to request a middle man at my cost for any transaction
- ALL paypal transactions MUST be sent as Friends/Family. Any payments sent as goods/services will be reversed and the contract cancelled
- I will only go first for members with more rep and b-rating
- new users or users with low b-rating/rep who have not exchanged with me before will have a limit (depending on payment method)[/b]

If you have any questions, or need anything at all don't hesitate to contact me. Please PM before starting a contract to ensure I have enough stock to serve your request. If I am shown as online here, I more than likely am active and ready to exchange!
