Thread: [+YOUTUBE PREMIUM UPGRADE+ \[\\$20/YEAR || WORLDWIDE || MONEY BACK GUARANTEE \]](#)

I--I - June 4, 2022, 10:37 pm

About:

This upgrade service gives your own personal Gmail account Youtube premium. This method requires that you be added to a family plan. The family plan account is ran by me and is not a cracked account. To receive this service all you need is a gmail account.

Account Guarantee:

All accounts are guaranteed for the allotted time that you pay for. If something happens, contact me and I will either reinstate your premium account or refund you a percent of your payment based on how long you were able to use premium features.

(example: if you paid \$20 for a year and only got 6 months I would pay you \$10 back)

Previous Service:

I offered this service a year ago and never had a complaint or issue with anyone for almost a year now. Like last time I will only be offering this service for a limited time before ending sales.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

All youtube accounts on the gmail will be added to premium. However, you won't be able to switch between gmail accounts without paying again.

Still offering this service for a limited time. Beware people selling extremally cheap or doing "life time" this method requires the person to pay every month, I've never missed a payment in over a year [^^]_/

Not sure why but HF wouldn't let me respond to this before.

No you don't "reduce your cost by half" it depends where you live but in the USA it cost \$12/month for youtube premium. $12 \times 12 = 144 - 20 = \$124$ in savings.
