SIM-5207420 - June 7, 2022, 1:29 pm

This is not a e-Book.

I will teach you personally with help of Telegram and AnyDesk.

In case if your earnings are less then 1000\$ in first month will give full refund.

After lessons u will learn how to

1. Get a Verified Only Fans account
2. Use TikTok to get insane amount of subscribers over short period of time.
3. Monetize your Only Fans account to get passive income around 2000-3000\$ in a month and earnings can reach up to 10000\$+ if u put a lot of effort into it.
4. Join a group of other members who are doing same to share ideas and increase earnings even more.

Requirements

1. One time payment 50\$ for TikTok followers.
2. One time payment 100\$ for OnlyFans full account setup.
3. One time payment 10\$ for web hosting.
4. Bi-Weekly payment 30\$ for views/likes.

Current price is : 1000\$

Next Price : 1500\$

Sales : 1/5

End of Sales: 2022.06.24

Every month we will be accepting new members.

So every month price resets to 500\$ as start price and on every purchase +500\$ until EOS "End Of Sales".

I don't mean to post shit on your thread here.. but this looks very familiar like the guy 'onlyfans_profit' who exit scammed me & lots of other people for thousands. I mean ur profile doesn't have much credibility either so kinda skeptical.

Just bringing this up, not saying you are a scammer, glws.

Every OF related stuff sold here ended up being a scam, why? Cuz 1)you cant make a verified girl OF account without using fake docs, unauthorized content 2)cant payout without bank info matching

your docs used upon registration, so this is either blackhat or a scam or both.
