Do I need cold war specifically for this or will this work for cold war guns or warzone?

mysQL 55th - June 8, 2022, 10:18 am

I want to try to win :(and do I need Cod?

Cold War specifically.

Yes you need Cold War.

It's a zombie lobby.

Now If you wanted we offer a paid
soft unlock tool that you can't get any of the
bundles for free, operators etc.
