Thread: [\[FREE\] Voicework \(2022 edition\)](#)

FunnyHands - June 8, 2022, 1:21 pm

Yo! I've been doing free voice giveaway threads for a bit now and I decided to do another one since I remembered my HF login info.

I'm willing to voice nearly ANYTHING, so go wild! I have yet to turn down a request!

[This is what I sound like, my range isn't super good when it comes to high pitched things but other than that I have a decent range I'd say.](#)

If you wanna check out the old threads, you can find those [here](#) and [here](#).

Hope to have a good thread ?

I mean, I've been doing these since 2016 so I don't see why I would now
