Thread: [Looking for IG followers PP](#)

Banker - June 9, 2022, 4:57 am

Hi,

Looking for someone who can provide IG followers quick. They can be absolute trash but don't want them to disappear over night if that makes any sense.. don't want to go through a panel site and I'll be paying with PP as F&F. Any cheap offers?

Best,

Banker

This user has 10k followers and I want to ruin the account ha. How many can you spam over night (European time)? 20-50k followers?
