Thread: [GET 4 FREE MEALS FROM FACTOR75 \[DIGITAL CODES\]](#)

JuiceBoxCereal - June 10, 2022, 4:51 pm

This is probably the best food deal on the market right now.

To get 4 of these meals, you'd have to pay \$70 on their website.

The meals are of outstanding quality, and unlike meal kits, you don't have to spend any time making these meals.

Just put them in the oven or microwave and you've got a very tasty meal.

This is for USA only.

You can order more than one code to a house. I just recommend using 1 code per week. Just change the email, payment method (card, VCC, PayPal), and you're good to go.

Selling these codes for just \$5

Payment can be made with crypto or CashApp.

I just have to make sure to cancel the subscription before they charge me for the next months supply. They are great healthy meals, and there wasn't any that I didn't enjoy. Great packaging as well! Good luck with sales [JuiceBoxCereal](#)

You can use a code more than once. I personally just checked my codes i got from another service and i was not able to double redeem. What makes your codes different? Typically with any voucher / code once its done its done.

I mean that you'll be able to order another code and it'll work for the same household again. I'll clarify that in the text.

DM ME.

I'm selling my last 20 codes for \$2.50 each.

If anyone wants them, send me a message.

That's \$50 total for 20 codes. Each code gets you 3 meals for free.

This is insane value for you to use yourself or to resell on other websites or Facebook groups.

I'm interested in a code for \$2.50.

Its a bit small of a transaction to do with crypto. I'd prefer a \$5 deal.

Cashapp is listed on the thread, \$2.50 through cashapp then?

snugglewitme - August 23, 2022, 7:26 am

Ill buy 8 codes for 20\$ cashapp.

Could I use a code and my roommate use a code using different accounts at the same time? Or not advisable?

Drizzled - August 23, 2022, 8:22 am

So if I buy a code, I don't have to pay any fees or shipping on the website?

And do these work on the protein plus meals? ty!

You both can use them but it won't work if you get two at the same time. That will get you flagged. Just one delivery per week to each address.

There are no fees. Just remember to cancel on Tuesday when you get your delivery if you don't

want anymore.

Still selling. Anyone interested just send me a message to start a contract.
