I mean, just Google "LogiCard CPA template" & you get it for free.

I am confused. Do you any other ones?

Lol, you are talking about the Landing page?

Yes this landing page was not made by me but i integrated the viral script as an example how you can use this scripts.

Please note that this product is not about the landing page. It's the script which locks your landing page until you share (your landing page) with friends via Facebook/Telegram/Twitter/Whatsapp. This will generate you viral traffic :)

I will give 10% OFF for the first buyer. If you are interested, let me know :)

You setup your cpa landing page with this viral locker and drive traffic to your landing page.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
