Thread: [Discord Service \(Advertising, attracting clients/etc\)](#)

Upgrader - June 13, 2022, 10:55 am

I own a discord server that provides a profitable service although it's lacking in paid clients, if you believe you have what it takes to promote the server I am willing to give a revenue split.

If you are looking for more information simply PM or Convo me, this is a highly profitable venture in the right hands. Please only contact me if you are experienced; I am able to do anything you "think" you can do.

Revenue so far:

\$2,000~ in subscriptions.

\$1,900~ in affiliate earnings.

EDIT: Primarily looking for someone that can manage Instagram/TikTok advertising although open to other ideas.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
