Thread: [error: ISO C++ forbids comparison between pointer and integer \[-fpermissive\]](#)

Equivalent_Jaguar198 - June 13, 2022, 12:04 pm

I watched this video: <https://www.youtube.com/watch?v=6f1GUyY9TYE>

and I keep getting this error when I try to compile the program.

Nachfolger - June 13, 2022, 12:29 pm

It's unreasonable to expect someone to watch the video to figure out the issue. Post the relevant code.

what is line 69 actually supposed to be doing?

do you actually understand the code you're using or are you just failing at copy-pasting?
