Too easy for me. Coke is way better than Pepsi. I really never drink soda anymore and coke wouldn't be my first choice anyways but in the debate of Coke or Pepsi it will always be Coke for me.

Pepsi tastes better, coca-cola has more of a history. I've worked in a coke factory though and it was rough, but they did pay well. They sent out a pretty racist email though, forgot what it said, something about being less white I think. Was about 2 years ago.

Very true, have had plenty of people saying "you can't tell the difference, blind taste tests prove you wrong"/etc. There's a noticeable difference and a weird aftertaste for pepsi. Coke Zero is my favorite.
