Thread: [Payment Processor/Payment Gateway for Payment Processor/Payment Gateway for WEIRDSHOP](#)

manueldesousa - June 13, 2022, 5:19 pm

Hello,

I would need to have your feedback on the gateway payments available for weirdshop (good take like 2-3month to be delivery...maybe more...).

I need a payment gateway that cashout the money in the bank account the same day or the next day.

Weirdshop is for EUROPE people only.

I need to avoid blocking funds.
