Thread: [Make \\$200 - \\$500 in 24 hrs - ETH Money Method MM Accepted - Working June 2022](#)

new007 - June 18, 2022, 5:20 am

Hello All,

Please take 5 mins to read all before asking the question; let me make this thread FAQ.

Method - Make ETH Every Day - \$200 to \$500

What is ETH?

ETH is a cryptocurrency like BTC

Are we making exactly ETH?

We will make WETH the same as ETH but with lower fees and fast transactions - Google it for more information.

What Blockchain are we going to use?

We will use Polygon BlockChain.

Is this method required Investment?

Yes, minimum \$50.

How much maximum can we make with this method ?

In theory Unlimited but need investment. You will get a return of 9 to 10% of your investment.

Any way to lose your Investment?

Your Investment is safe in your wallet.

Which wallet are we going to use?

MetaMask

This method does not involve in - Paxful, Amazon, Blackhat, Gray hat, E-whoring, Social Engg, Any illegal, No games involved, No VCC, No proxy

Requirement :

Metamask Wallet - Polygon With WETH

Minimum \$70 Investment

Decent internet connection and meta mask wallet and telegram and discord account.

Difficulty level - Basic Knowledge.

How to get paid?

You will get paid in the same WETH wallet. Within a minimum of 2 hrs to maximum of 48 hrs, But avg 24 hrs.

Will, it is saturated?

No way.

Then why are you selling?

Well as a required investment we can scale to as much as possible. And also no way to get saturated.

The cost of the method?

Fixed \$1000.

Will you accept Middle Man?

Yes but with the below rules.

1. MM should be trusted and buyers must pay fees.
2. I won't explain or give access to MM.
3. Payment must be released after the first income or within 48 hrs. (Buyer must prove that the method does not make money in 48 hrs).
4. Only accepted refund is buyer can't make a minimum of 8% profit in 48 hrs with a \$70 cryptocurrency investment. No other reason is accepted.

You need to get your story right. You said required \$50 investment, then you say required \$70 investment.

\$50 is the investment, \$20 setup cost

So \$70 is required amount

HLAB - June 18, 2022, 1:34 pm

So i pay \$1000 for the method then + \$20 for setup you say ? You do the setup so i pay you \$20 or the setup is something i do it my self but i have to pay \$20 something that is required for the setup ?

I will not setup anything, I'll guide buyer to do step by step \$20 required in one step.

Hello,

If as per the title, I want to make \$200 per day, I'll need to invest \$2000-\$2200 in the method, right?

Apart from the investment, how much time daily we need to give to be earning \$200 per day?

got proof of earnings?

Calm - June 20, 2022, 9:58 am

Waiting for reviews with proof of earnings..

As of now I see a lot of "make x a day in crypto" methods popping up on here, would be cautious. I've had a similar run-in with a guy who accepted MM, he would come up with some excuse like: "Right now have 5 MM deals open" just to avoid it (it was a lie), but we'll see if other buyers/vouchers post proof.
GLWS.

KyO - June 20, 2022, 1:19 pm

i really hope this isn't something like dailymatic.io which is on the polygon network and gives 8% a day

I have some questions. I apologize if some questions have already been answered.

Here are they:

1. How often is the payout?
2. Are we getting payout from people or company?
3. How much is the investment required?
4. How much time is needed for the setup?
5. Is it possible to get saturated?
6. Is it scalable?
7. Is it possible to automate?
8. What device is needed to make this up and running?
9. How much daily maintenance time is needed per day?
10. Are we exploiting a website?
11. Did you discover it yourself?
12. How long have you been using it?
13. How much have you earned so far?
14. Does it work worldwide?
15. Is it blackhat or whitehat?

Bought the method and was presently surprised. So far first impressions of the method are very good indeed. I have not heard of this before, and it really is a whitehat business. I can see potential in this from my initial first impressions. OP has been very pleasant to talk to and very helpful. Very happy with this method. Thanks OP ?
